Will do – and don't hesitate to tap me as a worker bee on things if you need it.

Thanks, Jenny.

The only change is that I understand we got the okay to provide a brief press statement to reporters. Please visit with Mark/Marianne on that.

I am not aware of any specific "new" decisions, but will certainly pass along what I hear.

Hi Dan and Mike,

I just wanted to let you both know that if there's anything that I can do to help – bullet points, background, summaries, etc – please let me know. I want to support management as much as possible. Also, if there are major decisions/actions taking place, I'd appreciate being kept informed as I'm in contact with many stakeholders and want to be consistent with messaging, and I'm also interested. Thanks - Jenny

Subject: FW: Response to 401 Certification Request Withdrawal

I discussed the Columbia R dam permits/cert process issues at the unit meeting yesterday. Attached is Ecology's response to our Friday letter.

Also, article from the top of page 1 today in Times... fyi
